## VI . Commendation for Outstanding Publications

---

### Awards for the Promotion of Studies on Developing Countries

In order to promote studies on developing countries, and to encourage researchers in Japan who are engaged in such studies, the IDE grants awards every year for outstanding publications on economic and other issues concerning developing countries. In 2010, a total of 42 books and papers published during the previous year were recommended for consideration by distinguished scholars in related fields. The selection committee, consisting of the members listed below, examined 4 books and eventually selected the publication shown below. The award was presented to the author by the IDE on July 1, 2010
