< PERIODICALS >

1. The Developing Economies (Quarterly, in English)
   Vol. 52, Nos. 2–4; Vol. 53, No. 1
   This is an international and interdisciplinary forum for studies on social sciences relating to developing countries. It provides an opportunity for discussions and exchanges across a wide spectrum of scholarly opinions to promote empirical and comparative studies on the problems confronted by developing countries. It was established in 1962. This journal has been published by Wiley Publishing since 2006.
   All texts of this journal are available to read on the website five years after its publication. http://www.ide.go.jp/English/Publish/Periodicals/De/backnumber.html

   Vol. 55, Nos. 2–4, Vol. 56, No. 1
   This is a leading journal in Japan that publishes studies of development issues. It contains articles, theoretical and empirical notes, occasional reports of surveys and conferences, and book reviews, and is open for scholars and students to contribute their manuscripts. It was established in 1960.
   All texts of this journal are available to read on the website one year after publication. http://www.ide.go.jp/Japanese/Publish/Periodicals/Ajia/backnumber.html

   Nos. 223—234
   This analytical and informative magazine explores the future prospects of developing countries. It provides the latest information on political, economic, and social issues, feature articles, and economic statistics of Asian countries. It was established in 1995.
   All texts of this magazine are available to read on the website two months after its publication. http://www.ide.go.jp/Japanese/Publish/Periodicals/W_tr/end/backnumber.html

4. Latin America Report (Biannual, in Japanese; Japanese title: Raten Amerika Repoto)
   Vol. 31, Nos. 1, 2
   This report provides accurate analyses of information on the fluid Latin American region, and overviews various aspects of long-term social development in the region.
   All texts of this report are available to read on the website one year after its publication. http://www.ide.go.jp/Japanese/Publish/Periodicals/Latin/backnumber.html

   Nos. 52, 53
   This report deals with political, economic, and social issues that African countries are facing. It also provides reviews of books and papers on Africa. The report is revived as a web magazine in 2013.
   All texts of this report are available to read on the website. http://www.ide.go.jp/Japanese/Publish/Periodicals/Africa/index.html

6. Middle East Review of IDE-JETRO (Annual, in English/Japanese; Japanese title: Chuto Rebyu)
   No. 2
   This is a newly launched web magazine which provides analytical reviews of political and economic issues in Middle East and Muslim world.
   All texts of this review are available to read on the website. http://www.ide.go.jp/Japanese/Publish/Periodicals/Me_review/index.html

This yearbook provides an analytical overview of yearly economic and political affairs in Asian countries including Central Asian countries, with an outline of issues and news arranged in chronological order. Key economic statistics, governments’ organization charts, and related documents are attached.

All texts of this yearbook are available to read on the website five years after its publication. http://www.ide.go.jp/English/Library/index.html
