

Middle East Studies Series

The Middle East Studies (M.E.S.) Series aim at disseminating the results of research and study conducted in the Area Studies Department II of the Institute of Developing Economies (IDE), Japan External Trade Organization, Chiba, Japan. This volume is a result of joint research carried out in Almaty, Kazakhstan, during the fiscal year 2000. Authors are Nurbulat Masanov, President, Kazakhstan Association of Political Science, Erlan Karin, Director, Central Asian Agency of Political Research (CAAPR); Andrei Chebotarev, CAAPR Research Fellow; and Natsuko Oka, IDE Research Fellow.

No part of this paper may be cited or reprinted without written permission from the authors and the IDE.
