

## FIGURES AND TABLES

### Figures

1.1 High-population-density Area in Rwanda .....	2
1.2 Annual Average Temperature and Rainfall .....	2
1.3 Population of Rwanda (1934-97) .....	5
1.4 Rwandan Real GDP Growth Rate (1967-96) .....	6
1.5 Proportion of Economic Sectors in Rwandan GDP (1965-97) .....	7
1.6 Proportion of the Working Population in the Agricultural Sector (1966-90) .....	7
1.7 Proportion of Coffee and Tea to the Total Value of Rwandan Exports .....	9
1.8 Growth Rate of Added Value in the Agricultural Sector in Rwanda (1967-97) ..	9
1.9 Change in Coffee Price (1968-97; Ugandan Coffee on the New York Market) .....	10
2.1 Proportion of Inhabitants in “Villages” (December 1998) .....	30
3.1 Research Areas .....	33
3.2 Area of Borrowed Land and Its Rent (Mubumbano) .....	49
3.3 Area of Borrowed Land and Its Rent (Ryamanyoni) .....	49

### Tables

1.1 Rwandan Main Crops by Season .....	3
1.2 Population and Population Density by Prefecture in Rwanda .....	3
1.3 Distribution of PIP by sector (1997-99) .....	12
1.4 Main Contributors to PIP .....	13
1.5 External Funds by Status and by Sector .....	13
1.6 Agricultural Production of Each Prefecture by Household .....	15
1.7 Percentage of Calories Provided by Each Agricultural Product .....	16
1.8 Land Use in Each Prefecture by Household .....	16
1.9 Estimated Numbers of Domestic Animals in Rwanda .....	18
3.1 Canvassed Population .....	34
3.2 Age of the Household Heads .....	39
3.3 Proportion of Household Heads by Age .....	39
3.4 Adults in a Household .....	39
3.5 Familial Situation of Household Heads .....	40
3.6 Reasons for Population Movement .....	41
3.7 Economic Activities .....	41

3.8 Educational Level	42
3.9 Housing	44
3.10 Clans and Lineages (Ryamanyoni)	45
3.11 Clans and Lineages (Mubumbano)	46
3.12 Area of Farmed Land	47
3.13 Method of Land Acquisition	48
3.14 Important Products and Cultivated Area	50
3.15 Production by Type of Plant	50
3.16 Number of Head of Livestock	54
3.17 Total Number of Livestock	54
3.18 Main Objectives of Livestock Raising	54
3.19 Purchase of Livestock	55
3.20 Sale of Livestock	55
3.21 The Total Amounts of Livestock Dealing	56
3.22 Use of Fertilizers	57
3.23 Use of Phytosanitary Products	57
3.24 Prices of Some Phytosanitary Products	58
3.25 Farming Tools	58
3.26 Practice of Watering	59
3.27 Labor Unit	60
3.28 Employment of Permanent Workers	60
3.29 Employment of Casual Workers	61
3.30 Working as a Casual Worker	61
3.31 Help with Other's Agricultural Work	61
3.32 Help from Others	62
3.33 Side Jobs for Peasants	62
3.34 Methods Applied for Land Conservation	63
3.35 Meal Composition of Ten Families (April-July 1999)	65
3.36 Difficulties Mentioned by the Interviewed Peasants	66
3.37 Obstacles Mentioned by the Interviewed Peasants	67
4.1 Land Owned by the G1 Family	71
4.2 Land Owned by the G2 Family	72
4.3 Land Owned by the G3 Family	74
4.4 Land Owned by the G4 Family	75
4.5 Land Owned by the R2 Family	77
4.6 Land Owned by the R3 Family	78

5.1 Number of Household Heads Working as Casual Labor and Employed Casual

Workers ..... 82
