

Connecting Asia and Africa: Challenges and Prospects

Table of Contents

Introduction

Chapter 1

Factors for GVC Participation in Sub-Saharan Africa

Ikuo KUROIWA and So UMEZAKI

Introduction

1. Literature review
2. Factors affecting GVC participation
3. Construction of GVC participation measures
4. Empirical results
 - 4.1. GVC participation measured by VS and VS1
 - 4.2. Hypotheses and data
 - 4.3. Model and methodological issues
 - 4.4. Estimation results
5. Policy implications and concluding remarks

Chapter 2:

Economic Impact Analysis of Improved Maritime Connectivity between Asia and Africa: An Application of IDE-GSM

Satoru KUMAGAI and Kenmei TSUBOTA

Introduction

1. Compiling geo-economic data for Africa
2. Maritime Connectivity between Asia and Africa
3. Economic Impacts of Improved Maritime Connectivity

Conclusion

Chapter 3

Recent Trends of Foreign Direct Investment in Sub-Saharan Africa

Kazuyo IDEUE

Introduction

1. Characteristics of FDI in sub-Saharan Africa
 - 1.1. FDI inflows
 - 1.2. FDI from new partners in SSA
2. FDI Flows by country
 - 2.1. FDI in Ethiopia
 - 2.2. FDI in Kenya
 - 2.3. FDI in Tanzania
 - 2.4. FDI in Mozambique
 - 2.5. FDI in Madagascar
 - 2.6. FDI in Mauritius

Conclusion

Chapter 4

Institutional Connectivity between Asia and Africa: Regulatory Coordination in Trade Facilitation

Akiko YANAI

Introduction

1. Institutional Connectivity between Asia and Africa: The Current Status of RTAs and BITs
 - 1.1. Trade Agreements
 - 1.1. Bilateral Investment Treaties
2. Regulatory Frameworks of Trade Facilitation
 - 2.1. International Frameworks for Trade Facilitation
 - 2.2. Regional Frameworks
3. Regulatory Frameworks on E-Commerce

Conclusion

Chapter 5

A comparative Study on Innovation Enabling Ecosystems of Rwanda and Uganda

Naomi INOUE

Introduction

1. Reviewing innovation and enabling ecosystem in the context of development

- 1.1. Innovation scales up efficiency of development
- 1.2. Innovation, and development aid
- 1.3. Innovation ecosystem
- 1.4. Enabling ecosystems to scale up innovation in Africa
- 1.5. Low-income communities in Africa

2. Research methodology

- 2.1. Research setting and approach
- 2.2. Research question

3. Findings

- 3.1. Enabling ecosystem in Rwanda and Uganda
- 3.2. Eight stages of innovation
- 3.3. Overview of innovation ecosystem of Rwanda and Uganda
 - 3.3.1. Who are those leading innovation ecosystems?
 - 3.3.2. Current situation of stakeholders in enabling ecosystems
 - 3.3.3. Who is benefiting from these enabling ecosystems and how?
- 3.4. Hubs' role
 - 3.4.1. Hubs in Rwanda
 - 3.4.2. Hubs in Uganda

4. Discussion

- 4.1. Challenges in leveraging enabling ecosystems
 - 4.1.1. Human resource development
 - 4.1.2. Policy and regulation
 - 4.1.3. Financing mechanism
 - 4.1.4. R&D

Conclusion
